INDIVIDUAL ASSIGNMENT DECLARATION

Assignment: Artificial Intelligence Individual Assignment 2
Project: Musanze Harvest Intelligence Service

Full Name: Hirwa Honorine
Registration Number: 25/28159
Verification Code: AI-A2-8159

I declare that this submission is my individual assignment. I am responsible for understanding the submitted results and documentation.

The dataset used in this project is synthetic and does not represent actual records collected from farmers. AI tools were used as assistance during development and documentation, and their use is disclosed in the accompanying AI-use statement.

I understand that the system is a classroom prototype and should not replace agricultural experts or be used to make real decisions about farmers without
